CHAPTER 32.

AN ACT to create 67.05 (13) of the statutes, relating to municipal borrowing.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

67.05 (13) of the statutes is created to read:

67.05 (13) COMBINATION OF ISSUES. Bonds authorized under various initial resolutions may, in the discretion of the governing body, be combined into one issue and designated as "corporate purpose bonds." The resolution providing for such combination and the bond form for the combined issue shall separately itemize the amount being issued for each of the purposes provided by the underlying initial resolutions.

Approved March 16, 1951.
